**Sub – Recommendation for Bharat Gaurav Award 2018**

Dear Sir

Dr Nabhit Kapur, Psychologist and Founder of Peacefulmind Foundation, living in New Delhi, India, is known to me due his stay in Africa and is working closely with Malawi and other countries in Africa. He has applied for Bharat Gaurav Award seeing his work for last 2 weeks in the field of psychology and his recognitions globally, I firmly believe that he is eligible candidate for such an award.

In view of above, do consider his candidature.

Thanking You
